

Fundraising Events

There are many ways by which you can raise funds for OAB including taking part in, or organising, an event.

Organising your own fundraising event is an excellent way to get together with friends and support our work.

You may like to organise a coffee morning or meal with friends, sell unwanted items at a car boot sale, arrange a sponsored event or simply ask friends to donate to us in lieu of gifts for a special occasion like a birthday, wedding or anniversary.

Whatever you can do, however big or small, we are here to support you every step of the way – from providing collection boxes/charity information/images/templates for creating event posters, to helping you create your own online sponsorship page.

We also have places in other fundraising events organised locally, for example the annual Oxford Half Marathon or [Bike](#)

Oxford. For the more adventurous, why not consider doing a skydive for OAB? Visit the **[Skyline Events Page](#)** to find out more.
