

# Corporate Partnerships

## Corporate Partnerships

As a local organisation working across the county of Oxfordshire, there are many ways that we can support companies who are kind enough to raise money for us.

We can assist with volunteering opportunities for staff and the provision of places for local sponsorship events and activities.

If you work for an Oxfordshire based company why not consider making us your Charity of the Year?

We are also keen to offer local companies the opportunity to participate in Visual Impairment awareness training so we can all offer a better service to the people in our communities who are blind and partially-sighted.

## Newsletter Advertisement

You may want to advertise in our quarterly newsletter, this goes out to 2,500 people across Oxfordshire, four times a year. Various options are available, you can download our price list below or contact us on 01865 725595 or email [MarkUpton@oxeyes.org.uk](mailto:MarkUpton@oxeyes.org.uk).
