

Recycle for OAB

Recycling is an excellent way to help support our work. We have a recycling box at the OAB office for old mobile phones, jewellery, watches and other items (intact or broken), old or foreign coins and banknotes. You can donate any unwanted currency from ANY country of any age. Our partners at Recycling for Good Causes will reuse and recycle the items, giving the proceeds to OAB and saving precious raw materials at the same time.

We can also accept UK and foreign postage stamps, both used and in albums.

From time to time we are able to accept a range of other antique and collectable items. If you are in doubt as to whether or not we can accept an item, or if you would like to arrange for an item or items to be collected, please call **01865 725595** or email **fundraising@oxeyes.org.uk**

You can also donate items for recycling direct from your home or office. For broken and unwanted jewellery or banknotes use the Self Pack service. Place any of the items in your own envelope and simply post free of charge to:-
