

Leave a Legacy

Leaving a gift in your Will

We rely greatly on gifts left to us in our supporters' Wills. Without them, we simply would not be able to exist as the organisation we are today.

In the past, many people have decided to make a donation to our work as one of their final wishes. It is largely thanks to the generosity of those who have given in this way that we have been able to increase and improve upon the range of services we offer to visually impaired people across Oxfordshire.

Deciding who should be included in your Will is of course completely up to you. But if OAB has touched your life, and you would like to leave a lasting legacy to an important local organisation, please consider us.

For more information on leaving a legacy to OAB, please download our new Legacy Leaflet.

If we are already a beneficiary in your Will we would be very grateful if you could let us know of your intention so we can thank you, and keep in touch with you in the way that you wish.

If you would like further information, or would like to speak with somebody in confidence about leaving a legacy to OAB, please email fundraising@oxeyes.org.uk or call **01865 725595**.
